

Farmhouse a Lucca San Lorenzo a Vaccoli

€ 350.000
Ref. 1285

250 sq.m | Bathrooms: 3 | Bedrooms: 3 | Rooms: 7

South of Lucca, first hill, just 5 km from the historic center Easy Casa sells beautiful rustic stone farmhouse, of about 260 square meters, on two floors, renovated in its raw state accompanied by about 1,200 square meters of adjacent land and a further lot of about 600 square meters detached from the property but ideal for preparing a private parking area for the home.

The renovation took into account environmental and seismic constraints, and an internal distribution project was drawn up where necessary.

The property, once a farmhouse part of a villa, is easily accessible by car and enjoys a panoramic view.

We would like to point out that the address indicated in the advert does not correspond to the real geolocation of the property, so please contact us by telephone to obtain more precise information on the matter.
