The farmhouse is surrounded by a magnificent flat lawn, perfect for creating an elegant pool area and outdoor relaxation spaces. The property includes approximately 3 hectares of land, partly wooded and partly arable land and vineyard, enhanced by approximately 180 centuries-old olive trees, which lend charm and value to the entire property.

The house enjoys a private and exclusive location, offering complete privacy and no visual disturbances, such as electricity poles or other invasive structures. It can be easily reached from the road to Aquilea via a flat dirt road that leads directly to the property.

The unique, dominant position offers breathtaking sunsets and a beautiful, open view of the valley, making this property perfect both as a private residence and as an exclusive, charming property.

A second double bedroom with en suite bathroom completes the floor.

Adjacent to the kitchen are two large rooms currently used as tool sheds, easily connected to the house and ideal for creating an additional living area, an outbuilding, or a guest space, or even a third bedroom.
